# New Jersey Association of Public Health Nurse Administrators, Inc.

Providing one voice for  
Public Health Nursing  
throughout New Jersey

## Enrollment

# PROMOTE, PROTECT, PRESERVE

### Who we are:

A state-wide professional organization of Public Health Nurses incorporated in 1989

### Purpose:

- To promote, protect and preserve Public Health through collaboration between Public Health Nurses and other Public Health Professionals
- To increase the awareness of the role of the Public Health Nurse as coordinator of Public Health Programs, facilitator of preventive health efforts, and coordinator of community action and response in the delivery of health services
- To advance professionalism among Public Health Nurses through provision of opportunities for continuing education and advancement of knowledge

### What We Have Accomplished:

- Public Health Nurse representation on local and state councils and committees
- Active involvement in the updating of New Jersey public health practice standards and guidelines
- Successfully bridging academic theory with public health practice in New Jersey
- Promotes a positive image of public health nurses through the annual Public Health Nursing Award
- Provides educational activities with continuing nursing education credits on cutting edge topics
- Introduces the future of Public Health Nursing
- Participates in the annual Public Health Nurse Summit

### Active Membership (\$75 annual dues)

- Registered Nurse currently licensed in NJ
- Employed full or part time in an official public health agency or a designated representative of an agency contracting for public health services
- Employed by a college or university and associated with or interested in Public Health Nursing

### Associate Membership (\$35 annual dues)

- Former NJAPHNA member retired from Public Health Nursing
